Job title:	Moderator – (1 Dhivehi speaking)
Unit/dept/delegation:	Programme Department, Maldivian Red Crescent Headquarters, Hulhumale'
Reports to:	Manager - Programmes and Services
Key Responsibility:	To conduct consultative meetings of the Formative Assessment: Audience Consultations in Maldives to inform design of communication to address COVID-19 Vaccine hesitancy

Background

The Maldivian Red Crescent is an independent, voluntary, humanitarian organization, established on the basis of the Maldivian Red Crescent Law [Law 7/2009]. Its primary objective is to provide humanitarian aid, and to prevent and alleviate human suffering. It is the 187th member of the world's largest humanitarian movement — the International Red Cross and Red Crescent Movement – which every year helps millions of people whose lives have been devastated by crises or conflict.

The Maldivian Red Crescent aims to be the nation's leading humanitarian organization, with Units spanned across Maldives. It recruits members and volunteers, implements programmes, and delivers services in adherence to the Fundamental Principles of the International Red Cross and Red Crescent Movement – Humanity, Impartiality, Neutrality, Independence, Voluntary Service, Unity, and Universality – making no discrimination as to nationality, race, sex, religious beliefs, language, class, or political opinions.

Meeting Targets and Maintaining Epidemic Control (EpiC) is a five-year global project funded by the U.S. President's Emergency Plan for AIDS Relief (PEPFAR) and USAID, dedicated to achieving and maintaining epidemic control. Currently, EpiC and its consortium members implement COVID-19 activities in more than 60 countries across the world. The project delivers high-quality technical assistance at the community, facility, district, regional and national levels, and builds relationships with relevant partners working to address COVID-19.

FHI 360 is the technical assistance (TA) partner of the U.S. Agency for International Development (USAID) under the EpiC Project. Although originally designed as an HIV program, EpiC has been modified to accept Pillar-2 COVID-19 funding to prevent, prepare for, respond to and bolster health systems to address COVID-19 and its re-emergence.

In Maldives, EpiC has been extending technical assistance to the Ministry of Health (MOH) since July 2020 in the COVID-19 response. Under the American Rescue Plan Act (ARPA) funding for Maldives, Maldivian Red Crescent (MRC) is supported to conduct formative assessment to find knowledge, attitude and perceptions among different segments, and reasons for vaccine hesitancy among populations, especially in the remote islands
