## Announcement for Consultancy

We are seeking dedicated, dynamic, self-motivated, result-oriented, and experienced consultant for the following work.

Post: **Consultancy \_ Maldivian Red Crescent Building Project**

Required: **01**

Duration: **04 months**

---

The Maldivian Red Crescent is an independent, voluntary, humanitarian organization, established on the basis of the Maldivian Red Crescent Law [Law 7/2009]. Its primary objective is to provide humanitarian aid, prevent and alleviate human suffering. It is the 187th member of the world's largest humanitarian movement — the International Red Cross and Red Crescent Movement – which every year helps millions of people whose lives have been devastated by crises or conflict.

### **Purpose of Consultancy**

MRC is currently seeking options for utilizing remaining space in the Hulhumale land plot area to construct a building that will contribute toward the organisation's sustainability.

To ensure that the development of the land takes into consideration the different financing options available, that will contribute towards the organisation's sustainability, MRC is seeking to recruit a consultant to undertake the below tasks.

### **Tasks and Responsibilities of the Consultant**

In close cooperation with the Maldivian Red Crescent the consultant is responsible for the following tasks:

- To draft and finalise the building business plan with financial feasibility plans, basic floor plans and funding options.
- Plan relevant meetings with the Hulhumale' Development Corporation and other local National authorities whenever required to seek various options.
- Actively seek potential partners to finance the project, and ensure timely dialogue between the parties and MRC leadership to explore potential partnerships.
- Meet with the building project Sub-committee to provide updates in meetings. Present final recommendation before end of the consultancy. Engage with members separately whenever required.
- Submit final proposal with the available options for financing of the office building construction.
